

Norwich Opportunity Area Celebration Afternoon Tea

Norwich
Opportunity Area

Useful Information

The John Innes Conference Centre (JICC) is located on the Norwich Research Park (NRP) in between the University of East Anglia (UEA) and the Norfolk & Norwich University Hospital (NNUH). Address: Norwich Research Park, Colney Lane, Norwich, NR4 7UH

Bus

Local bus providers include First Norfolk and Suffolk, and KonectBus. There is a bus stop on Colney Lane quite close (approx 300m) to the front entrance of the John Innes Conference Centre.

Parking

Parking is on a grassed area via Zone 2 'Steve Visscher Way' from the Hethersett Lane entrance.

For Satnav please input 'Norwich – Hethersett Lane'

You **MUST NOT** attempt to park in the main or visitor's car park. This area is warden controlled and if you do park there then you will receive a fine. The John Innes Conference Centre & NOA will accept no responsibility if visitors incur a fine for parking there.

There is a small number of blue badge parking spaces approx 30m to the very front of the actual JICC on the mini roundabout and two further blue badge parking sections within the main car park. All cars can also drop off/ pick up at the mini roundabout to the front of the JICC.

Taxi

Taxis can freely drop off and pick up at the mini roundabout to the front of the JICC.

Please instruct drivers to drive to what is commonly known as "JIC Main Reception".

Train

The JICC is approx 6 miles from Norwich Train Station and a car/ taxi journey from there would take at least 20 mins (far more at peak times).

Entrance / Accessibility

The front entrance is a set of automatic doors opening to an aperture of 1.4m. Once inside the Foyer and adjoining rooms (Auditorium, Franklin, Wilkins, Crick & Watson) are all ground level access. There is an accessible toilet on the ground floor central to the JICC.

Refreshments

Refreshments will be provided and a small selection of Gluten Free, Dairy Free and Vegan options have been organised. If you have any queries please speak to a member of the catering team. Please note that food and drink is not permitted in the main auditorium.

Photography

The NOA team plan to take photographs throughout the event which may be shared with the DFE and NCC and may be used online as part of NOA communications. Please inform one of the team if you do not give consent for your photograph to be taken and shared and this will be respected.
